

# Court of Appeals, State of Michigan

## ORDER

Peter D. O'Connell  
Presiding Judge

Donald S. Owens

Alton T. Davis  
Judges

Alice E Ance v Donna Sarns

Docket No. 285277

LC No. 06-018221 CZ

---

The Court orders that the motion to dismiss pursuant to MCR 7.211(C)(2) is GRANTED and the claim of appeal is DISMISSED for failure to order the complete transcript as required by MCR 7.210(B)(1)(a). In light of the filing of the cross appeal and subsequent docketing statement of June 25, 2008, it was clear that this appeal, that consists of both the claim of appeal and the claim of cross appeal, required all the transcripts and not just one transcript. The Court would note that the appellant had an option of filing a motion in the trial court seeking permission to order just the one transcript, but did not do so. Cross appellant shall file within 21 days of the certification of this order a stenographer certificate showing that the remainder of the transcript has been ordered. See 7.207(D).
